

Notice:

MEMBERS Mutual Funds IRA and ESA Custodial Fee Statement

Annual Fee Policy

Each year, an annual administration/custodial fee is assessed to individual retirement and education savings accounts. The fee offsets costs associated with administering these types of accounts such as tracking contributions, distribution requirements and mandatory reporting to the IRS. The fee per fund is \$10, with a maximum charge of \$25 per Social Security number (i.e. 1 fund position = \$10, 2 fund positions with the same SSN = \$20, 3 or more fund positions with the same SSN = \$25). The fee is automatically deducted in mid-December from the most liquid fund position held in your IRA or ESA mutual fund account.

The fee will be waived for your account(s) if on December 17, 2009, the total retirement and/or education savings assets under your Social Security number with MEMBERS Mutual Funds are \$35,000 or more.

Prepayment

If you have not paid your fee for 2009 and you do not qualify for the fee waiver, you may choose to prepay the fee by check. To prepay the fee, complete the section below and return it to us with a check payable to MEMBERS Mutual Funds. To avoid the automatic deduction of the fee from your account, your payment must be received **by December 1, 2009**. Payments received after that date will be used to prepay your 2010 custodial fee.

If you have any questions about your account or the fee that is due, please call Shareholder Services weekdays between the hours of 8AM and 7PM Central Time at 1-800-877-6089. We appreciate the opportunity of helping you invest for your retirement and educational needs.

2009 ANNUAL ADMINISTRATION FEE DUE \$_____ Enclosed

* The information needed to complete this part of the coupon is found in "Your Portfolio Summary" section on the enclosed Investor Statement. The number of fund/account positions listed in this section determines your fee (i.e. 1 fund = \$10, 2 funds = \$20, 3 funds = \$25). If you hold two different types of fiduciary accounts with MEMBERS Funds, you receive two Investor Statements; therefore, combine the information for both accounts on one coupon for payment. The maximum fee due per Social Security number is \$25.
